

*Announcement*  
*3<sup>rd</sup> International Conference for Special Needs Dubai 2009*

Dear Sir / Madam

Thanks to several Sponsors and Partners of the Second International Conference for Special Needs Dubai 2008 the event was a real great success.

The highlights during the Conference were the possibilities to meet the National and International Seminar Specialists for personal Knowledge-Exchange-Meetings. Directly with the Conference but also the days after, ESS Medical Performance was approached to continue with special Seminar systems from the various participants and to establish personalized network & education systems for the various fields.

Under preparation already is one seminar with the leading German Orthopaedic Technology Specialist. Participants are Orthopaedic experts from hospitals and clinics, physiotherapists, special needs centers and individuals.

As Sponsor your company will participate in all

- permanent and ongoing Seminar Systems
- Special Events
- ESS related Media & PR activities during the year
- International Conference for Special Needs Dubai 2009 to be held in the 1<sup>st</sup> week of November 2009 in the Dubai World Trade Centre.

Please find attached further detailed information:

- Update & Results ICSN 2008
- Sponsorship Packages & Confirmation
- Special Sponsor's Benefit Package (SBP).

We would highly appreciate to welcome you with our projects!

Best regards

Noura (Iris) Dapper  
Chairperson
