

The **ESS Quality Circle** is a strong established, close cooperating network of specialists from the various fields. Members are: Sponsors & Partners of the International Conference for Special Needs and/or Cooperation Partners of ESS Medical Performance.

The Advantage: being involved and updated with all current and upcoming projects and information of ESS Medical Performance – and to benefit from using the “short information line” for all requests and cases which might come up and special conditions – a real hand-in-hand solution!
